We intend to go out to market using a light touch approach to the following project. Liverpool City Region Combined Authority (LCRCA) has successfully managed the devolved Adult Education Budget (AEB) for eligible local residents aged 19 and over since 2019/20, balancing meeting the traditional skills needs addressed by AEB and incorporating significant innovations that reflect and respond to the local distinctiveness of the City Region and the skills needs of residents.

The LCRCA now intend to procure high quality Adult Education using devolved funding for a commissioning cycle commencing from 1 August 2022, covering the period 2022-27 LCRCA are seeking to build effective contractual relationships and continue to implement local flexibilities through our devolution agreement. Successful training providers will deliver contracts for services that meet our quality standards and delivery expectations aligned to the skills needs of Liverpool City Region as a result of this procurement exercise. Through the tendering process successful providers will demonstrate an understanding of our local authority areas, the needs of resident learners and employers, and how they would work alongside our anchor College and Local Authority grant funded organisations to add value to the local curriculum offer for LCR residents.
