Regional or local authority

I.5) Main activity

General public services

Section II: Object

II.1) Scope of the procurement

II.1.1) Title

GLA81689 - Architecture + Urbanism Framework

Reference number

DN576045

II.1.2) Main CPV code

- 71200000 - Architectural and related services

II.1.3) Type of contract

Services

II.1.4) Short description

The Architecture and Urbanism (A+U) Framework will consist of consultancies that will provide the architectural and design services to all members of the GLA Group. In addition it will be promoted to all 33 London Boroughs and other public sector organisations within the United Kingdom.

II.1.6) Information about lots

This contract is divided into lots: Yes

Tenders may be submitted for all lots

Maximum number of lots that may be awarded to one tenderer: 3

II.2) Description

II.2.1) Title

Spatial Policy, Urban Strategies and Research

Lot No

1

II.2.2) Additional CPV code(s)

- 71200000 - Architectural and related services

II.2.3) Place of performance

NUTS codes

- UK - United Kingdom

II.2.4) Description of the procurement

Panel users require services related to the proactive planning and shaping of places, projects and London-wide initiatives. To inform this work, they will commission strategic research, design studies and area-based plans to underpin spatial policy.

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months

48

This contract is subject to renewal

No

II.2.10) Information about variants

Variants will be accepted: No

II.2.11) Information about options

Options: No

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No

II.2) Description

II.2.1) Title

Sustainable Cities

Lot No

2

II.2.2) Additional CPV code(s)

- 71000000 - Architectural, construction, engineering and inspection services

II.2.3) Place of performance

NUTS codes

- UK - United Kingdom

II.2.4) Description of the procurement

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months

48

This contract is subject to renewal

No

II.2.10) Information about variants

Variants will be accepted: No

II.2.11) Information about options

Options: No

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No

II.2) Description

II.2.1) Title

High Streets and Town Centre Recovery and Transformation

Lot No

3

II.2.2) Additional CPV code(s)

- 71000000 - Architectural, construction, engineering and inspection services

II.2.3) Place of performance

NUTS codes

- UK - United Kingdom

II.2.4) Description of the procurement

Panel users are responding to the many challenges faced by London's network of high streets and town centres. Panel users require practices and practitioners that are designed, spatially and contextually aware and able to engage with and build the capacity of local communities; providing intelligent, contextual and high quality architectural and place-shaping advice. Practitioners should be able to support the Mayor and his partners to develop strategies that support the night-time economy, develop frameworks for High street Innovation Zones and 15-Minute City Strategies.

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months

48

This contract is subject to renewal

No

II.2.10) Information about variants

Variants will be accepted: No

II.2.11) Information about options

Options: No

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No

II.2) Description

Landscape, Green Infrastructure and Public Realm

Lot No

4

II.2.2) Additional CPV code(s)

- 71000000 - Architectural, construction, engineering and inspection services

II.2.3) Place of performance

NUTS codes

- UK - United Kingdom

II.2.4) Description of the procurement

The panel users are seeking to improve the quality and accessibility of hard and soft public realm and spaces, in London, including streets, squares, green and open spaces and green infrastructure. This work includes developing strategies, generating policies and investing in London's public realm. Panel users require practices and practitioners that have the expertise to deliver well designed, highly sophisticated, contextually sensitive and sustainable landscape, green infrastructure and public realm schemes across a range of scales.

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months

48

This contract is subject to renewal

No

II.2.10) Information about variants

Variants will be accepted: No

II.2.11) Information about options

Options: No

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No

This contract is subject to renewal

No

II.2.10) Information about variants

Variants will be accepted: No

II.2.11) Information about options

Options: No

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No

II.2) Description

II.2.1) Title

Small Sites Housing

Lot No

7

II.2.2) Additional CPV code(s)

- 71000000 - Architectural, construction, engineering and inspection services

II.2.3) Place of performance

NUTS codes

- UK - United Kingdom

II.2.4) Description of the procurement

The panel users require services related to the design and delivery of housing on small sites. This scale of delivery is increasingly being brought forward by the public sector and its partners to support the Mayor's plans to deliver new homes across London. Panel users require practices and practitioners that have the expertise to deliver well designed, highly sophisticated, contextually sensitive and sustainable housing schemes across a range of scales.

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months

48

This contract is subject to renewal

No

II.2.10) Information about variants

Variants will be accepted: No

II.2.11) Information about options

Options: No

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No

II.2) Description

II.2.1) Title

Housing and Mixed-Use

Lot No

8

II.2.2) Additional CPV code(s)

- 71000000 - Architectural, construction, engineering and inspection services

II.2.3) Place of performance

NUTS codes

- UK - United Kingdom

II.2.4) Description of the procurement

The panel users require services related to the design and delivery of housing and housing-led mixed-use developments being brought forward by the public sector and its partners to support the mayor's plans to deliver new homes across London. Panel users require practices and practitioners that have the expertise to deliver well designed, highly sophisticated, contextually sensitive and sustainable housing schemes across a range of scales.

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months

48

This contract is subject to renewal

No

II.2.10) Information about variants

Variants will be accepted: No

II.2.11) Information about options

Options: No

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No

II.2) Description

II.2.1) Title

Transport Infrastructure Interface: Over Station/Station Development (Housing and Commercial)

Lot No

9

II.2.2) Additional CPV code(s)

- 71000000 - Architectural, construction, engineering and inspection services

II.2.3) Place of performance

NUTS codes

- UK - United Kingdom

II.2.4) Description of the procurement

The panel users require services related to design and delivery of housing and housing-led mixed-use developments and non-residential projects being brought forward by the public sector and its partners to support the mayor's plans to deliver new homes across London. Panel users require practices and practitioners that have the expertise to deliver well designed, highly sophisticated, contextually sensitive and sustainable housing schemes across a range of scales. Practices and practitioners should also be able demonstrate expertise in commercial and commercially led developments, successfully

integrated with, and mutually beneficial to transport infrastructure.

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months

48

This contract is subject to renewal

No

II.2.10) Information about variants

Variants will be accepted: No

II.2.11) Information about options

Options: No

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No

II.2) Description

II.2.1) Title

Transport Design: Specialist infrastructure

Lot No

10

II.2.2) Additional CPV code(s)

- 71000000 - Architectural, construction, engineering and inspection services

II.2.3) Place of performance

NUTS codes

- UK - United Kingdom

II.2.4) Description of the procurement

The panel users are committed to upgrading the infrastructure and transport networks supporting London, its functionality, the quality of the user experience and the overall design quality and future proofing.

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

Date

19 November 2021

Local time

5:00pm

IV.2.3) Estimated date of dispatch of invitations to tender or to participate to selected candidates

1 February 2022

IV.2.4) Languages in which tenders or requests to participate may be submitted

English

Section VI. Complementary information

VI.1) Information about recurrence

This is a recurrent procurement: No

VI.3) Additional information

This contract notice (and the associated procurement documents) are published in good faith. No warranty is given as to the accuracy or completeness of the information contained

in it. Any liability for inaccuracy or incompleteness is expressly disclaimed by the GLA and TfL and its advisors.

Nothing in this contract notice (nor in the associated procurement documents) will be taken

as constituting an offer (whether implied or otherwise) or any agreement, whether express or implied between, the GLA/TFL, any other Contracting Authority and any other party. The

GLA/TFL reserves the right to withdraw from, cancel or amend the procurement process

and may award the Restricted Procedure Contract in whole, in part or not at all as a result of this

call for competition with no liability on its part.

Entering into the Framework Agreement does not guarantee any level of services and/or

works will be called-off by the contracting authorities. Neither the GLA/TFL shall not be

liable for any costs or expenses incurred by any economic operator in considering and/or responding to the procurement process and/or resulting from any amendment or cancellation of this procurement exercise.

Bidders submit a response to the SSQ at their own risk. All discussions and meetings will be

conducted in English. Tenders and supporting documents must be priced in Pounds Sterling and all payments made under the Contract will be in Pounds Sterling.

To express an interest in this tender, Bidders need to complete and submit a response to the

SSQ in response to the deadline in Section IV.2.2. Those who are successful in the SSQ will be invited to tender for the ITT stage.

To access the procurement documents and complete and submit the SSQ, Bidders will need to be registered on the Client's online eTendering portal. To register or to check if you are already registered log on to <https://procontract.due-north.com>. Further instructions and guidance are included in the SSQ and other procurement documents.

Bidders must read the instructions carefully before proceeding with registration and are

advised to satisfy themselves that they understand all the requirements of the procurement

and terms of the contract and the rules of the procurement process before submitting their

tender response. Video tutorials, FAQ's and help pages are included in the Help Centre

'Responding to Tenders' section of the eTendering website

(<https://supplierhelp.due-north.com/>).

For further assistance consult the online help, contact 'log a ticket' on the supplier support

portal ([http:// www.proactis.com/Support](http://www.proactis.com/Support)) at the first instance. Messages are to be sent to

the Client via the messages area on the portal where support is unresolved.
