VII.2) Information about modifications

VII.2.1) Description of the modifications

Nature and extent of the modifications (with indication of possible earlier changes to the contract):

To add additional funding to increase capacity to meet the service requirements of the Children and Young People Specialist Misuse Service from the Office for Health Improvement and Disparities (OHID) Supplementary Substance Misuse Delivery Grant (SSMDG) of £109,507.00 for 2023/2024. This grant will be most effective in increasing capacity being delivered within the existing service with additional staffing and help the Council to improve outcomes within the drug and alcohol systems. The modification does not alter the overall nature of the current contract and is the most economically viable solution.

The additional funding will specifically provide:

3 x FTE Children and Young People Key Workers £109,507.00

VII.2.2) Reasons for modification

Need for additional works, services or supplies by the original contractor/concessionaire.

Description of the economic or technical reasons and the inconvenience or duplication of

cost preventing a change of contractor:

This is a relatively small modifications to the Children and Young People Specialist Misuse Service. Because of this, a change of contractor is impractical from an economic perspective and because it could lead to a fragmented service.

The modification is not considered to be substantial and does not alter the overall nature of the contract pursuant to Regulation 72(1)(e).

VII.2.3) Increase in price

Updated total contract value before the modifications (taking into account possible earlier contract modifications, price adaptations and average inflation)

Value excluding VAT: £1,348,763

Total contract value after the modifications

Value excluding VAT: £1,458,270
