## Section IV. Procedure

# **IV.1) Description**

#### IV.1.1) Type of procedure

Award of a contract without prior publication of a call for competition in the cases listed below

- The services can be provided only by a particular economic operator for the following reason:
  - absence of competition for technical reasons

## Explanation:

Several other EU institutions who are in direct formal collaboration with the University's Centre for Cardiovascular Science, the Queen's Medical Research Institute and, specifically, the research team acquiring this equipment, are already using the subject system. In the interests of interoperability with these collaborators and complementarity of research outputs, it is imperative that the system we acquire offers complete alignment and site-to-site compatibility and comparability of collected data with those from the collaborating laboratories concerned.
