II.1.4) Short description

A single contract for a 5-year period (3 years with 2 x 12-month extension options) for technical through life support and safety assurance of 23 radomes housing Air Traffic Management and Air Defence radars, ensuring that all work complies with industry standards and safety regulations. The radomes are primarily in the UK, including the Scottish Islands, but also Cyprus and the Falkland Islands. The radome structures vary from composite sandwich to solid GRP; Defence is adding air supported radomes to the fleet; however, at this stage it is not known whether the air supported radomes will be included in the scope of this contract.
