#### **Brief Description of Requirement**

UK Space Agency provides technical advice on the government's National Space Strategy, supporting the UK space sector to deliver the government's vision. It delivers through a portfolio of programmes and projects which encourages the development of national space capabilities and are an early-stage investor in space research and development.

UK Space Agency (UKSA) wants to continue to develop and deliver a world class programme of business support that will encourage space entrepreneurs to start, grow and scale their business, and enable them to commercialise their products and services sooner. We also want to identify companies from adjacent sectors with space applicable technologies and help to break down barriers to entry to the space sector. Growing and leveling-up the UK Space economy is an important goal in the National Space Strategy and for the UK Space Agency's vision for the UK to lead the new space age, ensuring that the benefits of space reach everyone.

The UK Space Agency's Local Growth Programme, to which the Business Support programme belongs, plays a significant role in delivering on the goals and ambitions of the National Space Strategy, particularly leveling up the UK Space economy.
