I.2) Information about joint procurement

The contract involves joint procurement

I.4) Type of the contracting authority

Regional or local authority

I.5) Main activity

General public services

Section II: Object

II.1) Scope of the procurement

II.1.1) Title

24020 RECAP Dry Mixed Recyclate - Bulking

Reference number

DN713070

II.1.2) Main CPV code

- 90000000 - Sewage, refuse, cleaning and environmental services

II.1.3) Type of contract

Services

II.1.4) Short description

The Cambridgeshire Waste Collection Authorities collect dry mixed recycling from domestic

and commercial premises across Cambridgeshire. This tender is to provide suitably located

and permitted transfer stations for accepting the delivery, weighing, storage and bulking for

onward transport, of this mixed dry recycling. The onward transport is an element of a separate procurement. This transport will be coordinated such that materials are moved from each transfer site at a suitable frequency.

The RECAP Councils have worked collaboratively for many years in the delivery of DMR across Cambridgeshire. That collaboration continues for this procurement. The procurement

Page 7 to 30

itself is being conducted as a single procurement, but with the award of contract being in

the

form of separate Lots, as described in more detail in this ITT. The Lots are presented as alternative Lots (by reference to size), to enable the Councils to seek the broadest possible

market response. This means that an award will not be made for every Lot. This is described

in more detail in 'Lotting Guidance' within the ITT.

The RECAP Councils will make the decision collectively as to which Lots to award and to which bidders. Following award, the ensuing contracts will either be concluded with an individual Council or a number of them, depending upon which Lots have been chosen as the

best value for money.

Notwithstanding, the separate Contracts, the Councils are committed to sharing the per tonne costs equally across Cambridgeshire and to manage the contracts on a collective basis. They have committed to concluding an Inter Authority Agreement (IAA) to facilitate this arrangement. The joint contract management arrangements will be reflected in each of

the contracts, but otherwise, the IAA not be affect the contractual position of each

successful bidder, whose rights and obligations will be governed solely by the Contract it has

with the individual Council or number of Councils, as the case may be

The Authorities look to secure this Bulking Service in a set of individual locations across Cambridgeshire with suitable proximity to existing collections and/or depots with the aim of

reducing unnecessary travel.

For the avoidance of doubt, bids are welcome from contractors who can provide one or more

sites with capacity in any one or more of the geographical areas identified in the specification. As such the Authorities welcome bids for any one or more or all the lots available.

II.1.6) Information about lots

This contract is divided into lots: Yes

II.1.7) Total value of the procurement (excluding VAT)

Value excluding VAT: £7,500,000

II.2) Description

II.2.1) Title

Lot 1 - Up to 10,000 tonnes (East)

Lot No

1

II.2.2) Additional CPV code(s)

- 90500000 - Refuse and waste related services

II.2.3) Place of performance

NUTS codes

- UKH - East of England
