II.2.4) Description of the procurement

The aim of the Tier 4+ adult weight management service is to provide specialist assessment, treatment and support for individual's, aged 18 or over, with severe and complex obesity. The intervention options consist of medical and surgical treatments.

The Tier 4+ service should build on any interventions received (Tiers 1, 2 and 3) and must appropriately tailor delivery to take into account age, gender, socioeconomic status, culture and any disabilities of the individual.

The service will provide specialist dietary, pharmaceutical and psychological treatments, delivered by a multi-disciplinary team (MDT), with detailed and regular follow-ups. The Tier 4+ weight management service will align with NICE Guidance and will adhere to the SNEE ICBs policies relating to the management and treatment of obesity.

Start 1st July 2024 - End in line with current main acute contract with this provider on 31st March 2025 - 9 months in length

NHS Suffolk and North East Essex Integrated Care Board are awarding the contract named within this notice under the Direct Award B process which is outlined within the Health Care Services (Provider Selection Regime) Regulations 2023.

The provider(s) named in this notice is being awarded the contract as the population of the named locality are being offered a choice between providers and the number of providers is not restricted by the relevant authority through provider selection.

The services which are the subject of this notice are existing services and are being awarded to a new provider(s).

The ICB may wish to introduce additional services during the lifetime of the contract ("Contract modifications"). Such contract modifications will be contemplated where additional requirements are similar and or complementary to the services already included in the Specification, at any given time. Such expansion would be by the addition of services commissioned by the Authority as named in the Contract Notice. To this end, after the award of contract, there is a possibility that the contract may be varied as allowable in accordance with the Health Care Services (Provider Selection Regime) Regulations 2023.

II.2.5) Award criteria

Quality criterion - Name: Patient Choice / Weighting: 100

Price - Weighting: 0

II.2.11) Information about options

Options: Yes

Description of options

Option to extend for one period of 12 months.
