Cambridgeshire County Council is developing a proposal to reshape the homecare market across the county, aiming for it to be more outcomes focused, personalised and delivered in a place-based way in order to align with the Care Together programme in Cambridgeshire.

Earlier this year, the council carried out a market testing exercise which, along with feedback from people who use services and other stakeholders, has informed the latest iteration of our proposals. We are now holding two sessions in order to update interested providers as to our future commissioning intentions in regard to homecare. These sessions will be held on:

Thursday 29 August at 3pm

Tuesday 03 September at 2.30pm

Please note that these sessions are duplicates, there is no need to attend both.

If you are interested in attending one of the sessions, please email mubeen.fayyaz@cambridgeshire.gov.uk by 5pm on Thursday 22 August indicating which session you would like to attend, and a Teams invitation will be sent to you.
