General public services

Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Fleet Vehicle Replacement Zero Carbon Vehicles

II.1.2) Main CPV code

- 34100000 - Motor vehicles

II.1.3) Type of contract

Supplies

II.1.4) Short description

North Lincolnshire Council has a vehicle fleet of approximately 380 vehicles to support us to deliver our statutory and non-statutory functions. Currently most of this fleet is powered by diesel but we know we need to move towards equipment that has lower environmental impacts, including lower CO₂, NO_x emissions and lower sound levels.

To develop our services for the future we are asking Mainstream Original Equipment Manufacturers (OEM) and/or suppliers of Mainstream OEM equipment (whether you work with us currently or not) to provide their insight on what might be possible over the next few years; what problems/issues need to be overcome and help set realistic expectations and timetables for the Authority to adopt equipment with lower environmental impacts.

We have an aspiration goal to have a zero carbon fleet operating by 2030 and we are looking to implement this through our fleet replacement programme over the next 9 years.

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.3) Place of performance

NUTS codes

- UKE13 - North and North East Lincolnshire

II.2.4) Description of the procurement

To develop our services for the future we are asking Mainstream Original Equipment Manufacturers (OEM) and/or suppliers of Mainstream OEM equipment (whether you work with us currently or not) to provide their insight on what might be possible over the next few years; what problems/issues need to be overcome and help set realistic expectations and timetables for the Authority to adopt equipment with lower environmental impacts. We have an aspiration goal to have a zero carbon fleet operating by 2030 and we are looking to implement this through our fleet replacement programme over the next 9 years.

II.3) Estimated date of publication of contract notice

7 October 2022

Section IV. Procedure

IV.1) Description
