Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Interactive Digital Installation - Climate Change Wall

Reference number

UOE/2023/030/CH

II.1.2) Main CPV code

- 79952000 - Event services

II.1.3) Type of contract

Services

II.1.4) Short description

The proposed Climate Change Wall is a requirement for a high profile interactive art installation to temporarily be deployed on three campuses across the South West. The installation is proposed as a fun, innovative, and sustainable way to engage students, staff, and the wider community with issues around Climate Change. The intention is to deploy the installation aligned to the UN COP28, by siting across the campuses on the following dates; Streatham 13-17th Nov, St Luke's 20-24th Nov, and Penryn 27th Nov-1st Dec.

We are seeking a supplier with the relevant skills and experience to project manage, develop and deliver the software and hardware for the interactive Climate Wall projection.

Interested suppliers should register on the University of Exeter eTendering portal and express interest in this opportunity; UOE/2023/030/CH to be able to access the tender pack, and submit a tender response.

II.1.6) Information about lots

This contract is divided into lots: No

II.1.7) Total value of the procurement (excluding VAT)

Value excluding VAT: £82,500

II.2) Description

II.2.2) Additional CPV code(s)

- 32320000 - Television and audio-visual equipment
- 32321200 - Audio-visual equipment
- 39154000 - Exhibition equipment
- 92521100 - Museum-exhibition services

II.2.3) Place of performance

NUTS codes

- UKK - South West (England)

II.2.4) Description of the procurement

The proposed Climate Change Wall is a requirement for a high profile interactive art installation to temporarily be deployed on three campuses across the South West. The installation is proposed as a fun, innovative, and sustainable way to engage students, staff and the wider community with issues around Climate Change – attracting people who might not otherwise engage. The intention is to deploy the installation aligned to the United Nations Conference of Parties 28 (COP28) which takes place 30th November to 12th December 2023, by deploying across the relevant sites on the following dates; Streatham 13-17th Nov, St Luke's 20-24th Nov, and Penryn 27th Nov-1st Dec.

We are seeking to award a contract to a single supplier as a result of this tender process, whereby we are seeking a supplier with the relevant skills and experience to project manage and develop and deliver the software and hardware for the Climate Wall working with colleagues across the University.

The supplier will be expected to manage the site surveys, logistics, and delivery of the installation for three weeks in November. Note : The appointed supplier will be working in conjunction with a pre-appointed designer / film maker on projection content.

Interested suppliers should register on the University of Exeter eTendering portal and express interest in this opportunity; UOE/2023/030/CH to be able to access the tender pack, and submit a tender response.

II.2.5) Award criteria

Quality criterion - Name: Technical / Weighting: 50%

Quality criterion - Name: Sustainability / Weighting: 20%

Cost criterion - Name: Commercial / Weighting: 30%

II.2.11) Information about options

Options: No
