VI.3) Additional information

The scope of this Framework includes any related services within the competence and capability of successful bidders and is not limited to the services as defined in these tender documents.

The types of buildings covered by this Framework include, but are not limited to:

- Education – schools (nursery, primary, middle, secondary), colleges and universities (including adult education, lecture theatres, research facilities, halls of residence)
- Health – Hospitals (including teaching centres), mental health facilities (including high dependency units), health care surgeries (including primary care), nursing and other care homes (including senior living)
- Housing – housing, accommodation, mixed developments (including mixed use, sheltered accommodation and flats) and offices
- Wider Public Sector – civic buildings (council, town halls, courts), office buildings and mixed use, retail (including markets and shopping centres), exhibition space (including museums, planetarium), libraries (including record offices and archives), theatres (including conference halls, concert halls and cinemas), community centres (including youth clubs and visitor centres) and sports and recreation centres (including leisure centres, stadiums,

racecourses, pools) and blue light services (Ambulance, Fire and Police Authorities).

The contracting authority considers that this contract may be suitable for economic operators that are small or medium enterprises (SMEs). However, any selection of tenderers will be based solely on the criteria set out for the procurement.

Where the contract notice states a maximum of 15 operators to be appointed to the framework, this means up to 15 within each lot and geographical region.

Fusion21 reserves the right to vary this number and bidders accept this on submission of their bid.

The permissible users able to access this framework can be clearly identified via the following link: <https://www.fusion21.co.uk/frameworks/frameworks-permissible-users>

This may include but will not be limited to the Northern Ireland Housing Executive, who reserve the right to use this framework during its term.

As it such it is envisaged that works may be completed in any and all regions with the United Kingdom by any of Fusion21's Members as per the permissible users as identified in the link above.
