The tenderer has to indicate any change occurring at the level of subcontractors during the execution of the contract

II.1.8) Lots

This contract is divided into lots: Yes

Tenders may be submitted for one or more lots

II.1.9) Information about variants

Variants will be accepted: No

II.2) Quantity or scope of the contract

II.2.1) Total quantity or scope

The Ministry of Defence ("the Authority") has under consideration a 5 year Framework Agreement with 2 x 12 month options, for the Repair of Various Line Replacement Units (LRU's) fitted to the Wheeled Vehicle Platforms currently in service in the UK Ministry of Defence (MoD). These include but are not limited to the Articles categorised within the 11 Lots as detailed in the associated Contract Notice on the Defence Sourcing Portal (DSP) <https://contracts.mod.uk>.

Please note, Babcock Land Defence Limited is acting as agent on behalf of the Ministry of Defence, in the first instance interested parties may contact Babcock with queries relating to this procurement.

The Authority reserve the right to add further items of a similar nature to the contract post

award.

The successful contractor(s) will be required to repair Articles to OEM specifications and provide an accompanying Certificate of Conformance detailing results of any applicable output tests.

The successful contractor will be required to supply all spares/components necessary to undertake the repair process.

Drawings and/or associated specifications are not available to issue as part of any eventual tender.

Prospective contractors are required to hold Quality Management System certification to ISO9001:2015 or suitable alternative, with the appropriate scope to deliver contract requirements, issued by a Nationally Accredited Certification Body. You will be required to provide a copy of the certificate(s) as directed by any Dynamic Pre-Qualification Questionnaire (DPQQ) or Invitation to Tender (ITT) associated with this Notice, and in any event, the winning supplier will be required to provide it for review prior to contract award. The contractual condition for quality will be Allied Quality Assurance Publication (AQAP) 2131.

To respond to this opportunity suppliers must read through the associated contract notice and complete the associated Pre-Qualification Questionnaire (PQQ). The PQQ shall be assessed using the selection criteria given within the PQQ and within each question.

It is the intention of the Authority to down select and Invite to Tender only those economic operators who successfully complete the PQQ, provide all mandatory information and are not subject to any mandatory exclusion.

Cyber Risk Assessment Number: RAR-452872743

Cyber Risk Profile: Very Low

Estimated value excluding VAT:

Range: between £12,085,000 and £18,715,000

II.2.2) Information about options

Options: Yes

Description of these options: There will be 2 x 12 month options subject to performance of the supplier

II.2.3) Information about renewals

This contract is subject to renewal: Yes

II.3) Duration of the contract or time limit for completion

Duration in months: 84 (from the award of the contract)

11

Lot title

The Repair of Modular LRU's and Associated Assemblies

1) Short description

The Repair of Modular LRU's and Associated Assemblies to OEM Specification

2) Common procurement vocabulary (CPV)

- 50100000 - Repair, maintenance and associated services of vehicles and related equipment

3) Quantity or scope

NSN's contained within this lot are:

2510996685227 Kit, Front End

2510999687435 Frame, Structural, Vehicle

The Authority reserves the right to add further assemblies of a similar nature to the requirement either prior to the issue of any resultant ITT or post Contract Award.

Articles within Lot 11 may require bespoke software, any potential repair agent must be able to facilitate the software flash required (where applicable).

Where applicable, Articles must incorporate any authorised modifications in order to ensure the asset is repaired to the current modification specification (MOD Strike).

The modular LRU's will consist of multiple components, which may belong to numerous OEM. All components must be repaired and integrated within the modular LRU to create a complete unit deployable to the end user for fitment to the vehicle while on operations. Therefore the asset must be tested, in its final dressed state, by the repair agent prior to preparation for storage.

Interested parties must be able to submit a full bid at the ITT stage for all NSN's within the lot, partial bids will not be accepted and the Tenderer disqualified.

Estimated value excluding VAT

Range: between £2,426,000 and £3,397,000

5) Additional information about lots

Section III. Legal, economic, financial and technical information

III.1) Conditions relating to the contract

III.1.4) Other particular conditions to which the performance of the contract is subject, in particular with regard to security of supply and security of information

Delivery Performance

III.2) Conditions for participation

III.2.1) Personal situation

Criteria regarding the personal situation of economic operators (that may lead to their exclusion) including requirements relating to enrolment on professional or trade registers

Information and formalities necessary for evaluating if the requirements are met: Suppliers Instructions How to Express Interest in this Tender:

1. Register your company on the eSourcing portal (this is only required once)

- Browse to the eSourcing Portal
- Click the "Click here to register" link
- Accept the terms and conditions and click "continue"
- Enter your correct business and user details
- Note the username you chose and click "Save" when complete
- You will shortly receive an email with your unique password (please keep this secure)

2. Express an Interest in the tender

- Login to the portal with the username/password
- Click the "PQQs Open to All Suppliers" link. (These are Pre-Qualification Questionnaires open to any registered supplier)
- Click on the relevant PQQ to access the content.
- Click the "Express Interest" button in the "Actions" box on the left-hand side of the page.

- This will move the PQQ into your “My PQQs” page. (This is a secure area reserved for your projects only)
- Click on the PQQ code, you can now access any attachments by clicking the “Settings and Buyer Attachments” in the “Actions” box

3. Responding to the PQQ

- You can now choose to “Reply” or “Reject” (please give a reason if rejecting)
- You can now use the ‘Messages’ function to communicate with the buyer and seek any clarification
- Note the deadline for completion, then follow the onscreen instructions to complete the PQQ
- There may be a mixture of online & offline actions for you to perform (there is detailed online help available)

If you require any further assistance please consult the online help, or contact the eTendering help desk.

Section IV: Procedure

IV.1) Type of procedure

IV.1.1) Type of procedure

Restricted

IV.2) Award criteria

IV.2.1) Award criteria

The most economically advantageous tender in terms of the criteria stated below

1. Technical Capability. Weighting 50
2. Social Values. Weighting 10
3. Pricing. Weighting 40

IV.2.2) Information about electronic auction

An electronic auction has been used: no

IV.3) Administrative information

IV.3.1) File reference number attributed by the contracting authority

IRM22/7626

IV.3.2) Previous publication(s) concerning the same contract

no

IV.3.4) Time limit for receipt of tenders or requests to participate

18 September 2024 - 6:00pm

IV.3.6) Language(s) in which tenders or requests to participate may be drawn up

English

Section VI: Complementary information

VI.1) Information about recurrence

This is a recurrent procurement: No

VI.2) Information about European Union funds

The contract is related to a project and/or programme financed by European Union funds:
No

VI.3) Additional information

Please visit www.contracts.mod.uk for full details and to register your interest in this procurement.
