#### **Description**

Team Leidos are proud to be delivering the logistics commodities and services transformation (LCS(T)) Delivery partner contracts (LCS (T)/0001 dated 16.4.2015) on behalf of the UK Ministry of Defence (the 'Prime Contract'). Delivery of other parts of the LCS(T) contract are delivered by Leidos Europe Ltd (LEL) and other partners (together 'Team Leidos'). This requirement is subject to the Public Procurement Regulations and respective advertising action.

In April 2015, the MOD signed a thirteen year contract with Leidos Europe Ltd to provide the procurement and inventory management of commodity items (as well as the storage and distribution services), that were historically provided in-house by the Logistic Commodities and Services Operating Centre.

Leidos, working with the MOD, will transform the way these services are delivered to

ensure requirements continue to be met whilst providing best value for money for the department. The organisation delivering these services is known as Team Leidos.

There is an intention to run a procurement in the future for The Supply of Intraosseous Devices & Associated Consumables.Requirement for the continued support and supply of Inteaosseouse Devices and Associated Consumables - Supporting current MOD in service equipment. .The agreement has an estimated value between £3600000 - £9000000

Team Leidos will issue a Preliminary Market Engagement Notice (PMEN) closer to the tender launch to enable Suppliers to support the development of the requirment of the sorucing strategy.

Suppliers do not need to contact Team Leidos at this time regarding this notice.
