Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Provision of a Airedale Air Conditioning Maintenance Measured Term Contract (MTC)

Reference number

UOS-24813-2022

II.1.2) Main CPV code

- 79993000 - Building and facilities management services

II.1.3) Type of contract

Services

II.1.4) Short description

This Prior Information Notice (PIN) relates to a project to establish an agreement for the Provision of a Airedale Air Conditioning Maintenance Measured Term Contract (MTC) (UOS-24813-2022) at the University of Strathclyde.

II.1.5) Estimated total value

Value excluding VAT: £270,000

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.2) Additional CPV code(s)

- 45331000 - Heating, ventilation and air-conditioning installation work

II.2.3) Place of performance

NUTS codes

- UKM82 - Glasgow City

Main site or place of performance

The University of Strathclyde.

II.2.4) Description of the procurement

This Contract will include, but will not be limited to;

- 24-hour helpdesk to handle call outs, which includes a minimum 4-hour call out with attendance by a suitably qualified / experienced engineer;
- A suitable number of engineers fully trained and certificated by the manufacturer within the last 5 years to handle call outs, service & repair work. The engineers will also be fully trained in turbocompressors, and have certification to demonstrate this;
- Conducting call outs, maintenance visits, and repairs, including all parts, labour and consumables associated with the University's Airedale chillers / close control units. All as outlined in the manufacturer's 'Gold' standard contract. The units currently vary in age but are all in good condition;
- Carry out service / repair work to the standards recommended by the manufacturer, and be able to provide a detailed service plan including a description of work and timescales for each work activity;
- Must have a current contract in place with the manufacturer for access to software / software updates, and be able to provide evidence of this throughout the duration of the Contract; and
- Have immediate access to spares, and therefore be able to demonstrate holding an account with the manufacturer.

II.2.14) Additional information

Please note, the information contained within this Prior Information Notice (PIN) is subject to change.

II.3) Estimated date of publication of contract notice
