Section II: Object

II.1) Scope of the procurement

II.1.1) Title

The Provision of a Sefton Council Young People and Families Substance use Service

Reference number

DN632801

II.1.2) Main CPV code

- 85000000 - Health and social work services

II.1.3) Type of contract

Services

II.1.4) Short description

Sefton Public Health are seeking to commission an integrated model of young people's and families substance use service , combining universal, targeted and specialist substance use treatment for young people aligned with family focused interventions where parental substance use is a factor. The service is an important part of the local substance use treatment system providing support to some of the Boroughs most vulnerable young people and families.

The specialist integrated substance use service for young people and families will support the ambition within the 2021 national 10-year drug strategy – From Harm to Hope, for 50% more young people to receive specialist substance use interventions, preventing longer term use into adulthood.

II.1.5) Estimated total value

Value excluding VAT: £1,750,000

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.3) Place of performance

NUTS codes

- UKD - North West (England)

II.2.4) Description of the procurement

Sefton Public Health are seeking to commission an integrated model of young people's and families substance use service, combining universal, targeted and specialist substance use treatment for young people aligned with family focused interventions where parental substance use is a factor. The service is an important part of the local substance use treatment system providing support to some of the Boroughs most vulnerable young people and families.

The specialist integrated substance use service for young people and families will support the ambition within the 2021 national 10-year drug strategy – From Harm to Hope, for 50% more young people to receive specialist substance use interventions, preventing longer term use into adulthood.

Contract duration : 1st April 2023 to 31st March 2028, with the option to extend for 2 x 12 months.

Aims of Service

- To reduce young people's substance misuse and the negative impacts
- To reduce parental substance misuse and the negative impact on families.

To provide an integrated flexible model of young people's substance misuse services, combining specialist young people's services with family focused substance misuse intervention/services and having well-developed transitional arrangements with adult substance misuse services.

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents
