## **Section II: Object**

### **II.1) Scope of the procurement**

#### **II.1.1) Title**

Request for Information - Glasgow Cathedral Lighting Design

#### **II.1.2) Main CPV code**

- 71318100 - Artificial and natural lighting engineering services for buildings

#### **II.1.3) Type of contract**

Services

#### **II.1.4) Short description**

Historic Environment Scotland (HES) is undertaking market research in relation to the delivery of a refurbishment of the electrical and lighting systems at Glasgow Cathedral. We want to hear from suppliers with a proven track record in the field of lighting design in order to provide us with a detailed understanding of the market and what it can offer. Due to the significance of Glasgow Cathedral, we require more than just functional illuminance; this lighting design must complement and enhance the aesthetic qualities of the building. The lighting designer will need to consider the requirements of the congregation, the experience of visitors to the site, all while ensuring that the lighting is energy-efficient and easy to maintain. Glasgow Cathedral is a site of global significance and one of the grandest properties on the HES estate, and we intend for its new lighting installation to compare favourably against those at similar locations around the world

#### **II.1.6) Information about lots**

This contract is divided into lots: No

### **II.2) Description**

#### **II.2.2) Additional CPV code(s)**

- 31527260 - Lighting systems

### **II.2.3) Place of performance**

NUTS codes

- UKM82 - Glasgow City

Main site or place of performance

Glasgow Cathedral

### **II.2.4) Description of the procurement**

Historic Environment Scotland (HES) is undertaking market research in relation to the delivery of a refurbishment of the electrical and lighting systems at Glasgow Cathedral. We want to hear from suppliers with a proven track record in the field of lighting design in order to provide us with a detailed understanding of the market and what it can offer.

Due to the significance of Glasgow Cathedral, we require more than just functional illuminance; this lighting design must complement and enhance the aesthetic qualities of the building. The lighting designer will need to consider the requirements of the congregation, the experience of visitors to the site, all while ensuring that the lighting is energy-efficient and easy to maintain.

Glasgow Cathedral is a site of global significance and one of the grandest properties on the HES estate, and we intend for its new lighting installation to compare favourably against those at similar locations around the world

### **II.2.13) Information about European Union Funds**

The procurement is related to a project and/or programme financed by European Union funds: No

### **II.3) Estimated date of publication of contract notice**

28 October 2022

---

## **Section III. Legal, economic, financial and technical information**

### **III.2) Conditions related to the contract**

#### **III.2.3) Information about staff responsible for the performance of the contract**

Obligation to indicate the names and professional qualifications of the staff assigned to performing the contract

---

## **Section IV. Procedure**

### **IV.1) Description**

#### **IV.1.8) Information about the Government Procurement Agreement (GPA)**

The procurement is covered by the Government Procurement Agreement: Yes

### **IV.2) Administrative information**

#### **IV.2.5) Scheduled date for start of award procedures**

18 November 2022

---

## **Section VI. Complementary information**

### **VI.2) Information about electronic workflows**

Electronic ordering will be used

Electronic invoicing will be accepted

Electronic payment will be used

### **VI.3) Additional information**

Please note that this is a market research exercise and submissions will not be evaluated.

An open day will take place at the cathedral on Friday 30th September 2022. The open day will be an opportunity to meet HES Subject Matter Experts and will offer potential suppliers the opportunity to ask questions about the cathedral and its lighting/electrical systems. For details on attending the Open Day, contact [matthew.pennell@hes.scot](mailto:matthew.pennell@hes.scot). Please note, there will be a limit of 2 people per organisation.

NOTE: To register your interest in this notice and obtain any additional information please visit the Public Contracts Scotland Web Site at [https://www.publiccontractsscotland.gov.uk/Search/Search\\_Switch.aspx?ID=707028](https://www.publiccontractsscotland.gov.uk/Search/Search_Switch.aspx?ID=707028).
