Main Security Tender Event for AMP8

Reference number

WS1325771019

II.1.2) Main CPV code

- 35120000 - Surveillance and security systems and devices

II.1.3) Type of contract

Supplies

II.1.4) Short description

Full details are available in the documents within our SAP ARIBA pages, accessible via the Discovery post link. In summary:

Organisations are called to provide a PQQ application to take part in a competition to bid for a range of security contract agreement/s as applicable to their specialist category provision to The Utilities.

The intention is to contract for these services, commencing in the first half of 2024, for a duration of 5 years with an option to extend for a further 3 years (As 1yr +1yr +1yr) - (total potential agreement - 8 years)

Outline of the requirement

This competition tender process is for the provision of a range of security capital frameworks and maintenance contracts covering goods, services, and works, across the Severn Trent region, and Hafren Dyfrdwy region.

A summary of the scope of the competition is as follows:

The Utilities intend to let a range of Capital Framework agreements as (both entities):

- * Lot 1A Electronic Security Capital Framework
- * Lot 2 Physical Security Capital Framework
- * Lot 4A Security Fencing, Gates, and Barriers Capital Framework
- * Lot 5 Security All Services ("Tier 1") Capital Framework

The Utility intends to let a range of Operational Maintenance agreements as:

- * Lot 1B Electronic Security Maintenance Agreement - Severn Trent East sites (asset split)
- * Lot 1C Electronic Security maintenance Agreement - Severn Trent West sites (asset split)
- * Lot 1D Electronic Security maintenance Agreement - Hafren Dyfrdwy region sites

* Lot 3 Security Network IT Services Maintenance Agreement (ST & HD region)

* Lot 4B Automatic Gates and Barriers Maintenance Agreement (ST & HD Region)

Details and values of Lot/ contracts will be found in the briefing documents available to view and download.

II.1.6) Information about lots

This contract is divided into lots: Yes

Tenders may be submitted for all lots

The contracting authority reserves the right to award contracts combining the following lots or groups of lots:

Contract Lots are split into sector specialisms within the asset security category so we expect suppliers to provision within contract Lots.
