Section II: Object

II.1) Scope of the procurement

II.1.1) Title

M-SParc Phase 2 Construction Works

Reference number

BU722024

II.1.2) Main CPV code

- 45210000 - Building construction work

II.1.3) Type of contract

Works

II.1.4) Short description

Bangor University is currently finalising a business case to request funding from the North Wales Growth Deal to deliver Egni, a new low/zero carbon two-storey development on the M-SParc site in Gaerwen, Anglesey.

Egni will provide an estimated 1,000m² of new business incubation and research collaboration space (total building size of approximately 1,727m²) with complementary business development support. It will create additional offices, workshops and laboratories, training and circulation/reception space.

II.1.5) Estimated total value

Value excluding VAT: £6,729,000

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.2) Additional CPV code(s)

- 45000000 - Construction work

II.2.3) Place of performance

NUTS codes

- UKL11 - Isle of Anglesey

Main site or place of performance

Gaerwen, Anglesey.

II.2.4) Description of the procurement

Bangor University is currently finalising a business case to request funding from the North Wales Growth Deal to deliver Egni, a new low/zero carbon two-storey development on the M-SParc site in Gaerwen, Anglesey.

Egni will provide an estimated 1,000m² of new business incubation and research collaboration space (total building size of approximately 1,727m²) with complementary business development support. It will create additional offices, workshops and laboratories, training and circulation/reception space. The project will provide an additional 40 parking spaces to supplement the existing provision in addition to landscaping a proportion of the site adjacent to the new building. A sub-station is already present on site and will feed the new building. The drainage solution will be developed further in the next phase. The drainage proposal will require approval via SAB, and discharge of a reserved matters planning condition. Increased bio-diversity and landscaping will also be provided.

II.2.5) Award criteria

Quality criterion - Name: Proposed Team / Weighting: 12.5%

Quality criterion - Name: Approach to PCSA / Weighting: 10%

Quality criterion - Name: Achieving Funding Requirements / Weighting: 10%

12:00pm

Section VI. Complementary information

VI.1) Information about recurrence

This is a recurrent procurement: No

VI.3) Additional information

NOTE: The authority is using eTenderwales to carry out this procurement process. To obtain further information record your interest on Sell2Wales at

https://www.sell2wales.gov.wales/search/search_switch.aspx?ID=143413

The Contractor shall ensure that all contracts with Subcontractors and Suppliers which the Contractor intends to procure following the Award date, and which the Contractor has not, before the date of this Contract, already planned to award to a particular Subcontractor or Supplier, are advertised through the Sell2Wales portal (www.sell2wales.gov.wales) and awarded following a fair, open, transparent and competitive process proportionate to the nature and value of the contract.

Under the terms of this contract the successful supplier(s) will be required to deliver Community Benefits in support of the authority's economic and social objectives. Accordingly, contract performance conditions may relate in particular to social and environmental considerations. The Community Benefits included in this contract are:

Bangor University in partnership with Ambition North Wales is committed to contributing to the social, economic and environmental well-being of the residents of North Wales. Consequently, the following social value/community benefits objectives will be a core requirement of the contract and as such evaluated in the tender.

- 260 training weeks through a combination of apprenticeships, placements and work experiences over the construction period.

Bidders will also be required to respond to selected Non-core Social Value Themes, Outcomes and Measures. Further details are provided within the tender documents.

(WA Ref:143413)
