All these events are to raise much needed funds for the charity. To support investment into Velindre University NHS Trust Cancer Hospital.

Velindre Cancer Centre is also known as The Hospital of Hope, and this is made possible because of the fantastic and committed support of our donors and fundraisers. Fundraising and donations allow us to fund projects over and above those provided by the NHS, which improve the experience and outcomes of patients receiving treatment and care here, and provide vital support services to patients and their families.

It also enables us to offer better quality of care through complex treatment pathways, earlier access to cutting edge treatments, research into new treatments, purchase specialist equipment, fund invaluable support services and resources along with ensuring our staff have access to

the most up to date training and techniques available.
