General public services

Section II: Object

II.1) Scope of the procurement

II.1.1) Title

TD2033 - Revenues & Benefits system

Reference number

TD2033

II.1.2) Main CPV code

- 48000000 - Software package and information systems

II.1.3) Type of contract

Supplies

II.1.4) Short description

The Council has published this VEAT notice as it intends to award a contract to Capita Business Services Ltd for potential additional functionality and support within the existing

Revenues and Benefits system used by the Council.

II.1.6) Information about lots

This contract is divided into lots: No

II.1.7) Total value of the procurement (excluding VAT)

Value excluding VAT: £1,905,711.51

II.2) Description

II.2.3) Place of performance

NUTS codes

- UKF11 - Derby

II.2.4) Description of the procurement

An existing contract provides for the license, support and maintenance costs of the existing system. A change of overall system at the current time would have a major impact on Council activity and require costs of change the Council do not have current existing budget to provide for. Additional relevant functionality is being considered for future procurement by the Council including capacity to cover additional costs for these and any interactions required with existing functionality. This new functionality would be required to work within the existing system, and the supplier does not allow third parties to provide the support required within the system.

II.2.11) Information about options

Options: Yes

Description of options

Initial 5 year period with the option to extend for a further two 12 months subject to satisfactory performance and budget.

Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Award of a contract without prior publication of a call for competition in the cases listed below

- The procurement falls outside the scope of application of the regulations

Explanation:

An existing contract provides for the license, support and maintenance costs of the existing system. A change of overall system at the current time would have a major impact on Council activity and require costs of change the Council do not have current existing budget to provide for. Additional relevant functionality is being considered for future procurement by the Council including capacity to cover additional costs for these and any interactions required with existing functionality. This new functionality would be required to work within the existing system, and the supplier does not allow third parties to provide the support required within the system.

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: Yes
