### **Scope**

### **Description**

Portsmouth City Council (the Council) is looking to re-procure the provision of care and support in Extra Care Housing.

The Council requires the provision of 'extra care', a housing scheme designed to offer a safe, private and secure environment for residents, allowing them to maintain their independence by having their own home whilst benefiting from having staff on hand 24 hours a day, 7 days a week.

The current cost for delivering these services across four Extra Care facilities is approximately £3.5million per annum. However, this value can fluctuate on an annual basis dependent on existing occupancy levels and the support needs of the residents. Additionally, each contract will be subject to an increase in rates, which will be reviewed on an annually basis and has typically been based on the Retail Price Index.

At present one provider manages all four of the sites, though the Council will be investigating options to split these sites into two distinct lots with two providers being responsible for the extra care facilities -

- Lot 1 - Brunel Court, Caroline Square and Milton Village - £2.19M per annum
- Lot 2 - Maritime House - £1.27M per annum

It is envisaged the contracts shall commence on the 1st December 2025 for an initial 4-year term, extendable by a further 4-years in increments to be agreed at the time by both parties.

The total value of the opportunity will be in the region of £35M, when including all extension options, assuming each Extra Care facility remains in maximum occupation, the likely support needs of the residents and including any potential inflationary uplifts.

The procurement process will commence in June 2025 with award targeted for August 2025 to allow for mobilisation and commencement of services on 1st December 2025.

The Council envisages undertaking the future procurement process in line with the following draft summary procurement programme, however it should be noted that the dates below are purely indicative and may be subject to future change.

## TUPE
