Section VI. Complementary information

VI.1) Information about recurrence

This is a recurrent procurement: Yes

VI.3) Additional information

evaluation of the tender will be conducted in full compliance with EU Directives and the Council's Contract Procedure Rules.

Evaluation of the criteria for quality issues, etc. will also include the operation of minimum score thresholds. If a proposal received a score below the require threshold then the bid may not be considered further. The minimum acceptable score is a requirement to obtain at least half of the available points in any particular area. An indicative use of this model can be downloaded from the Council's website.

The Council may make use of the contract for further negotiated arrangements to the extent permissible and in compliance with the relevant procurement regulations. Prospective contractors are advised that the documents issued at this time in conjunction with the Find A Tender Notice may be supplemented and/or amended as provided for in Regulation 53(6) of the Public Contract Regulations 2015.
