Scope

Description

The Ealing Highways and Transport Services Framework Contract (the Framework) will provide highways and transport-related consultancy support to LB Ealing, and all other interested London local government authorities via access agreement. The Framework comprises four separate lots: • Lot 1 - Bridge inspections • Lot 2 - Condition surveys • Lot 3 - General engineering • Lot 4 - Flood management Services for all Lots will be delivered via a call-off arrangement, so that work can be delivered on a flexible basis as and when required.
