Town and Country Housing ("TCH") is seeking to procure a Maintenance Agreement and Joint Venture Partner to deliver repairs, maintenance and planned improvement works to its housing stock portfolio. TCH owns circa 10,000 properties dispersed throughout the whole of Kent and parts of East Sussex. The properties are a mixture of tenures consisting of general needs, market rented, leasehold and shared ownership. The Maintenance Agreement will be awarded for an initial period of 12.5 years, with the option to extend until 31st March 2050 at TCH's sole discretion. TCH does not intend to extend the contract by a single extension period of 15 years, but would explore extensions of shorter durations (for example, three periods of extension of five years each) . Although initially centred on the delivery of repairs and voids the contract has the provision to add in multiple additional workstreams and more detail is provided in the Descriptive Document.
