### **Telephone**

+44 2072155000

#### Country

**United Kingdom** 

#### **NUTS** code

UK - United Kingdom

### Internet address(es)

Main address

https://www.delta-esourcing.com

Buyer's address

https://www.gov.uk/government/organisations/department-for-business-energy-and-industrial-strategy

## I.3) Communication

Additional information can be obtained from the above-mentioned address

# I.4) Type of the contracting authority

Ministry or any other national or federal authority

# I.5) Main activity

General public services

# **Section II: Object**

# II.1) Scope of the procurement

### II.1.1) Title

Heat Pump Ready Stream 3: Trial Support and Learning

Reference number

TRN: 5421/10/2021

#### II.1.2) Main CPV code

• 72224000 - Project management consultancy services

### II.1.3) Type of contract

Services

#### II.1.4) Short description

BEIS is seeking a provider to support its future Net Zero Innovation Portfolio Heat Pump Ready Programme with responsibilities including:

- -Knowledge transfer and shared learning
- -Identification of common work areas and facilitation of working groups
- -Programme support & evaluation
- -Development of standardised documentation
- -Dissemination of programme outcomes

The Heat Pump Ready Programme, with total funding budget of up to £60m, will support projects which develop and trial the coordination of high density heat pump deployment (Stream 1; £30m budget) and projects which develop tools and technologies to overcome remaining barriers to heat pump deployment (Stream 2; £25m budget). The Stream 3 provider will support the Stream 1 trials and facilitate knowledge sharing within and outside the programme and for facilitating knowledge transfer with other NZIP projects and Ofgem Network Innovation Competition (NIC) and Strategic Innovation Fund projects, working with this area.

#### II.1.5) Estimated total value

Value excluding VAT: £5,000,000

#### II.1.6) Information about lots

This contract is divided into lots: No

# II.2) Description

#### II.2.2) Additional CPV code(s)

- 45315100 Electrical engineering installation works
- 71321200 Heating-system design services

- 73300000 Design and execution of research and development
- 72224000 Project management consultancy services
- 85322000 Community action programme
- 42511110 Heat pumps

### II.2.3) Place of performance

**NUTS** codes

• UK - United Kingdom

Main site or place of performance

#### UNITED KINGDOM

### II.2.4) Description of the procurement

- 1.Programme trial support/evaluation: Support Stream 1 providers to ensure trial projects are robust and produce fit-for-purpose data. This includes ensuring project teams develop robust approaches for costing their coordinated, high density heat pump deployment methodology and implement effective data sharing requirements. The supplier will review Stream 1 solutions for common trends/issues.
- 2.Knowledge transfer: Capture the lessons learnt, facilitate knowledge transfer, coordinate working groups and broker relationships between Stream 1 projects; and between Stream 1 projects and the solutions developed in Stream 2, across the NZIP portfolio and within Ofgem-funded (NIC or SIF) projects.
- 3.Dissemination: Develop the knowledge base from the Programme, identify dissemination opportunities and knowledge products for stakeholders across the heat pump landscape; develop/deliver a dissemination plan, tailored to different stakeholder groups.

### II.2.14) Additional information

To register for the Supplier engagement event you must register up via Eventbrite (<a href="https://heatinnovation3.eventbrite.co.uk">https://heatinnovation3.eventbrite.co.uk</a>). The event will be virtual and links to join will be given via Eventbrite. Following the event, there will be limited opportunities for 1:1 sessions with the BEIS team, available on a first-come-first-served basis.

# II.3) Estimated date of publication of contract notice

9 December 2021

## Section IV. Procedure

### **IV.1) Description**

### IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: Yes

# **Section VI. Complementary information**

## VI.3) Additional information

To register for the Supplier engagement event you must register up via Eventbrite (<a href="https://heatinnovation3.eventbrite.co.uk">https://heatinnovation3.eventbrite.co.uk</a>). The event will be virtual and links to join will be given via Eventbrite. Following the event, there will be limited opportunities for 1:1 sessions with the BEIS team, available on a first-come-first-served basis.
