VII.2) Information about modifications

VII.2.1) Description of the modifications

Nature and extent of the modifications (with indication of possible earlier changes to the contract):

The Authority considers modification under R72(1)(a) applies.

Whilst the Authority is reliant on R72(1)(a) for this modification, for the purpose of transparency, R72(1)(b) shall apply thereafter.

VII.2.2) Reasons for modification

Need for additional works, services or supplies by the original contractor/concessionaire.

Description of the economic or technical reasons and the inconvenience or duplication of cost preventing a change of contractor:

Regulation 72(1)(b)(i): there are economic and technical synergies with the Telematics solution being delivered through the existing Rivus System Integrator contract due to data processing methods and standardised governance for SM&R.

Regulation 72(1)(b)(ii): should the Authority explored means of a separate contract for the services, this would involve substantial replication of costs and resources.

VII.2.3) Increase in price

Updated total contract value before the modifications (taking into account possible earlier contract modifications, price adaptations and average inflation)

Value excluding VAT: £63,300,000

Total contract value after the modifications
