Main address

<https://www.northerngasnetworks.co.uk>

I.6) Main activity

Production, transport and distribution of gas and heat

Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Validation Loggers

II.1.2) Main CPV code

- 31710000 - Electronic equipment

II.1.3) Type of contract

Supplies

II.1.4) Short description

This notice is being published to formally recognize NGN's continued expenditure on Validation Loggers during 2023. Due to transaction value NGN has purchased these from Abriox Ltd following a below threshold tender process. For reasons of continuity and consistency of supply NGN is about to award another contract to this supplier for more of the same equipment with the total value procured in 2023 now exceeding the procurement threshold for supplies.

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.3) Place of performance

NUTS codes

- UKC - North East (England)
- UKD - North West (England)
- UKE - Yorkshire and the Humber

II.2.4) Description of the procurement

This notice is being published to formally recognize NGN's continued expenditure on Validation Loggers during 2023. Due to transaction value NGN has purchased these from Abriox Ltd following a below threshold tender process. For reasons of continuity and consistency of supply NGN is about to award another contract to this supplier for more of the same equipment with the total value procured in 2023 now exceeding the procurement threshold for supplies.

II.2.11) Information about options

Options: No

Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Negotiated without a prior call for competition

- Additional deliveries by the original supplier

Explanation:

This is the second contract awarded to the supplier this year bringing our total spend with them for this type of product in 2023 to £458K which is above threshold. This requirement is covered under regulation 50 which states. Utilities may use the negotiated procedure without prior call for competition in the following cases- (e) in the case of supply contracts for additional deliveries by the original supplier which are intended either as a partial replacement of supplies or installations or as the extension of existing supplies or installations, where a change of supplier would oblige the utility to acquire supplies having different technical characteristics which would result in incompatibility or disproportionate technical difficulties in operation and maintenance;

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: No

Section V. Award of contract/concession

A contract/lot is awarded: Yes

V.2) Award of contract/concession

V.2.1) Date of conclusion of the contract

30 August 2023
