II.2.4) Description of the procurement

The Scottish Government announced a 2 year funding package to deliver an embedded welfare right service in up to 150 GP practices across Scotland serving deprived communities to help address growing mental health concerns caused by money and housing insecurity.

This builds on the success of Glasgow's embedded money advice project which is currently delivered in 30 practices across 5 GP clusters; these services will be sustained via national funding.

An extensive body of evidence demonstrates that integrating and embedding money advice in General Practice has a positive effect on patient health, reduces the pressure on Practice staff and enables advice agencies to engage with client groups who would otherwise not engage with their services.

NHS Greater Glasgow and Clyde (NHSGGC) are seeking a dynamic organisation(s) to deliver an on-site Money Advice Service.

Section III. Legal, economic, financial and technical information

III.1) Conditions for participation

III.1.2) Economic and financial standing

List and brief description of selection criteria

With reference to question SPD 4B.6 NHSGGC will use its financial evaluation matrix which can be uploaded from the attachments area on PCS-Tender to assess the financial stability of tenderers. Tenderers should complete the evaluation matrix spreadsheet included in the tender documents and confirm they meet the minimum requirement score. Tenderers with a score of 50 and above will be deemed to have evidenced satisfactory financial stability. This is a pass/fail question. Failure to achieve a score of 50 or failure to provide this information will result in your tender being rejected. Tenderers should be able to provide financial accounts when requested by NHSGGC. If a minus or 0.00GBP turnover applies, please include your last 3 years financial accounts to allow your financial validity to be evidenced. Should this not be available or should this show financial instability of the organisation, this may result in a fail.

Minimum level(s) of standards possibly required

With reference to SPD question 4B.5.1a Tenderers must hold and evidence Professional Risk Indemnity Insurance = GBP2m. If tenderers do not currently have this level of insurance, they must agree to put it in place prior to contract commencement.

With reference to SPD question 4B.5.1b Tenderers must hold and evidence Employer's (Compulsory) Liability Insurance = GBP5m. If tenderers do not currently have this level of insurance, they must agree to put it in place prior to contract commencement.

With reference to SPD question 4B.5.2 Tenderers must hold and evidence Public Liability Insurance = GBP10m. If tenderers do not currently have this level of insurance, they must agree to put it in place prior to contract commencement.

III.1.3) Technical and professional ability

List and brief description of selection criteria

With reference to SPD question 4C.1.2 Tenderers are required to provide examples that demonstrate they have the relevant experience to deliver the service. Examples must be from within the last 3 years. You should use the attached template to provide 2 examples that demonstrates experience that is relevant to this procurement exercise. Your

completed response should be no more than 2 pages of A4. The completed response should be uploaded to question 4C.1.2. This is pass/fail question. If examples are not provided, this will result in a fail. If the examples provided do not demonstrate the required level of experience, this will result in a fail.

Minimum level(s) of standards possibly required

With reference to SPD question 4D.1, tenderers should hold and evidence or commit to obtain, within 6 months of the contract start date, a whistleblowing policy consistent with the National Whistleblowing Standards that can be found at the following link:

<https://inwo.spsa.org.uk/national-whistleblowing-%20standards>
