Section VI. Complementary information

VI.3) Additional information

LHC Procurement Group Limited is a not for profit centralp urchasing body acting on behalf of contracting authorities throughout England, Wales and Scotland (including partners of the Welsh Procurement Alliance, Scottish Procurement Alliance and South West Procurement Alliance) for whom we continue to monitor up to 500 live projects at any one time. Thanks to their ongoing and collective feedback and input into the development of this framework and given the reach and scale of their collective portfolios, the framework is both designed and anticipated to support the vast majority of requirements. Consequently, other

contracting authorities that were not specifically consulted in the development of this framework may nevertheless also deem the framework to offer a value for money procurement solution for their own requirements and may also use the framework. As of the date of publication of this notice our frameworks may be used

by all contracting authorities in England, Wales and Scotland as defined by the Public Contracts Regulations 2015 and as listed on https://www.lhc.gov.uk/who-we-work-with/), including, but not limited to Registered social landlords (RSL's), tenant management organisations (TMOs)

and arm's length management organisations (ALMOs), local authorities and any subsidiaries and joint-venture vehicles of those local authorities, health authorities, councils, boards and trusts, publicly funded schools, universities and further education establishments, colleges, police forces, fire and rescue services or registered charities.

LHC clients may add community benefit requirements in their call-off contracts from this Framework including but not limited to:

- to generate employment and training opportunities for priority groups;
- vocational training;
- to up-skill the existing workforce;
- equality and diversity initiatives;
- to make sub-contracting opportunities available to SMEs, the third sector and supported businesses:
- supply-chain development activity;

- to build capacity in community organisations;
- educational support initiatives.
