VII.2) Information about modifications

VII.2.1) Description of the modifications

Nature and extent of the modifications (with indication of possible earlier changes to the contract):

The total value of the Framework Agreement is being uplifted from £20,000,000 ex VAT to £30,000,000

VII.2.2) Reasons for modification

Need for additional works, services or supplies by the original contractor/concessionaire.

Description of the economic or technical reasons and the inconvenience or duplication of cost preventing a change of contractor:

An alternative contractor would not be able to take on the completion of ongoing work already instructed to one of the awarded Framework Contractors because they would not

be in a position to / would not be willing to take on the design liability. Re-working Acquisition & Design on the Authority's sites would result in duplicated costs and could range between 6 - 12 months in wasted time to conclude those activities.

VII.2.3) Increase in price

Updated total contract value before the modifications (taking into account possible earlier contract modifications, price adaptations and average inflation)

Value excluding VAT: £20,000,000

Total contract value after the modifications

Value excluding VAT: £30,000,000
