The School requirement shall be for 190 academic days, 5 inset days and 20 days periodic cleaning per annum.

Whilst the monthly charge will represent one-twelfth of the contract cost, a reconciliation will take place monthly to reconcile the actual hours worked within the contract. If the hours worked are less than those budgeted for a credit will be required by the School. The School require that the tendered amount of hours are worked at all times and the successful contractor is expected to have a system in place to cover for both planned and unplanned leave.

The basis and rationale that the Client requires the successful contractor to operate to at all times is being able to provide a clean school that is fit for purpose and that the Contractor is proactive in the management of the contract, thus ensuring that all specifications are achieved and that the frequency of cleans is as detailed within the Innovation and continued innovation of processes throughout the contract term will be pivotal to the success of the new contract.
