Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Award of a contract without prior publication of a call for competition in the cases listed below

- The services can be provided only by a particular economic operator for the following reason:
 - absence of competition for technical reasons

Explanation:

The Department for Environment, Food and Rural Affairs (Defra) has entered into an agreement with UKPN as Distribution Network Operator for the area, to reserve capacity for future electrical requirements at its site at Weybridge. This agreement includes the carrying out of necessary works for the provision of the electricity.

The works are made up of majority Non-Contestable works, as such UKPN (as Distribution Network Operator for the area) are the only provider permitted to deliver these works. Further, given the high level of resilience, full 132 kV accreditation, security requirements, commercial agreement obligations, complex interface and programming criticality issues that exist for the project, UKPN are the sole provider that possess the technical ability to provide the works.
