II.2.4) Description of the procurement

Scope: The supplier is required to source, deliver, install, and maintain good-quality Audio-Visual equipment and software. For the purposes of this tender process, access to the chamber is from the 22 November 2024 with completion by the 15 January 2025 at the latest. All dates are subject to change. The maintenance period shall start from the date of final agreed handover and for 3 years with an additional 2-year extension available. The AV equipment and software will need to be delivered and installed within this time period and ensure all snags and technical issues are resolved to allow full operation of the new services. Some training will be required to bring the Democratic Services and the Information & Digital Services teams up to date with managing and controlling the new systems. It should be noted that there is no storage capacity onsite, so it's crucial that this is factored into the delivery plan/schedule. The appointed contractor will need to deliver all required works to ensure that the new Technical and AV services are fully functional, as well as ensuring the area is cleaned and ready to function for council meetings.
