#### **II.1.4) Short description**

NHS Supply Chain seeks to establish a Framework Agreement which will cover a range of Medical Hollowware products for both single use and reusable, including, but not limited to, bed pans/urinals, medicine pots (including gallipots & denture pots), jugs, medicine spoons, instrument trays, kidney dishes, lotion bowls and wash bowls. The estimated value over the total Framework Agreement term is expected to be in the region of £4,434,712 (ex VAT) however this is approximate only. It is anticipated that in the first 12 months of the Framework Agreement the value of purchases will be circa £881,533 (ex VAT) however this is approximate only. The figures for the total estimated value are based on that initial expenditure and include a forecast for growth.

We would like to understand whether any suppliers/potential bidders have undertaken any lifecycle analysis or assessments to understand where the IMPACTS are and how to MITIGATE OR REDUCE them and We are also interested in hearing from suppliers as to whether there are any opportunities to embed CIRCULAR ECONOMY PRINCIPLES within this category.
