Section I: Contracting authority

I.1) Name and addresses

Network Rail Infrastructure Ltd

Waterloo General Offices

London

SE1 8SW

Email

joseph.bygraves@networkrail.co.uk

Telephone

+44 1908781000

Country

United Kingdom

Region code

UK - United Kingdom

Internet address(es)

Main address

www.networkrail.co.uk

Buyer's address

<https://networkrail.bravosolution.co.uk/>

I.3) Communication

Additional information can be obtained from the above-mentioned address

Electronic communication requires the use of tools and devices that are not generally available. Unrestricted and full direct access to these tools and devices is possible, free of charge, at

<https://networkrail.bravosolution.co.uk/>

I.4) Type of the contracting authority

Body governed by public law

I.5) Main activity

General public services

Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Perpetual Timetable Simulation Modelling Solution

II.1.2) Main CPV code

- 72212100 - Industry specific software development services

II.1.3) Type of contract

Services

II.1.4) Short description

Network Rail is investigating the possibility of being able to deliver Perpetual Timetable Simulation Modelling across the whole of the UK Rail Infrastructure.

To enable Perpetual Timetable Simulation modelling, Network Rail is looking for solutions to be developed that can significantly speed up Timetable Simulation modelling while also producing a high quality, accurate spread of outputs (including but not limited to performance metrics).

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.2) Additional CPV code(s)

- 72212100 - Industry specific software development services

II.2.3) Place of performance

NUTS codes

- UK - United Kingdom

II.2.4) Description of the procurement

For further information relating to Network Rails requirements please review the document – “Perpetual Timetable Simulation Modelling” via the instructions below,

1. Follow the link - <https://networkrail.bravosolution.co.uk/web/login.html>
2. From the welcome screen, access the “View Current Opportunities” link and select “Perpetual Timetable Simulation Modelling”.
3. Click on the attachment – “Perpetual Timetable Simulation Modelling”

II.2.14) Additional information

Deadline is 20th September 2024.

II.3) Estimated date of publication of contract notice

1 November 2024

Section IV. Procedure

IV.1) Description

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: No

Section VI. Complementary information

VI.3) Additional information

Please note any discussions which do occur will cease immediately should a formal competition ultimately be announced. Network Rail is committed to ensuring fairness, openness and transparency and to following EU procurement regulations. The periodic indicative notice (PIN) is issued solely for the purpose of conducting pre-procurement market engagement via a request for information and does not constitute any commitment to undertake any procurement in the future. Interested parties will not be prejudiced by any response or failure to respond to the PIN event and a response to this PIN does not guarantee any invitation to participate in this event or any future procurement.

This PIN does not constitute a call for competition to procure any services, supplies or works mentioned in this PIN and Network Rail will not accept any proposals offered in response to this PIN. Network Rail is not liable for any costs, fees, or expenses incurred by any party in replying to or attending any PIN event. Any procurement of any services, supplies or works by Network Rail will be carried out strictly in accordance with the provisions of the Utilities Contracts Regulations 2016.
