II.2.4) Description of the procurement

MaPS currently delivers Money Guidance at Tier 1 level via an outsourced contact centre and Pensions Guidance is delivered at Tiers 1, 2 and 3 in-house.

Pension Wise appointments are delivered both outsourced (70%), which is a mix of telephone/virtual and less than 10% face to face and in-house, which is all virtual (30%).

When customers call for Pensions Guidance, their situation is explored to ensure they are provided with the most appropriate service for their circumstances and issue. This could result in being provided with pensions guidance, receiving a Pension Wise appointment and/or being signposted to money guidance or debt advice. Both money and pensions information is provided on our Money Helper website, alongside a number of digital tools and a range of printed guides.

The Tiers of Guidance for both money and pensions are defined as per the MaPS Money Guidance Competency Framework (available at: <https://moneyandpensionsservice.org.uk/wp-content/uploads/2021/02/the-money-guidance-competency-framework.pdf>). In brief, this means Tier 1 is information giving and signposting, Tier 2 explores a customer's needs and provides more tailored guidance and Tier 3 focuses on a specialist area of guidance. Pension Wise appointments are a specific service for people over 50 with a defined contribution pension brought in as a result of the Pensions Freedoms Act (2015).

As the contract for our current outsourced Tier 1 Money Guidance contact centre is expiring at the end of March 2024, MaPS has taken the opportunity to conduct a review of the

current guidance service offering and is looking to procure a supplier to provide a contact centre that offers a single front door to Tier 1 money and pension guidance with the potential for face to face (F2F) assisted digital support .

This Prior Information Notice (PIN) is to advise prospective suppliers of the Commissioners' intention and is not a formal call for tender.

The Authority reserves the right not to proceed with the Procurement or any part thereof or change the requirements as necessary at any time.
