Environment

Section II: Object

II.1) Scope of the procurement

II.1.1) Title

800,000.00

II.1.2) Main CPV code

- 80000000 - Education and training services

II.1.3) Type of contract

Services

II.1.4) Short description

Environmental crisis management covers a range of areas, including (joint) agency response to natural disasters such as hurricanes, floods, wildfires and earthquakes. It also involves managing industrial accidents, pollution incidents, and other environmental emergencies.

The course will require students to receive training and education covering:

- A range of environmental crisis incidents – the characteristics, risks and response requirements.
- Understanding of training and preparation requirements for first responders involved in responding to a range of environmental crisis incidents.
- Understanding initial responsibilities, initial response tasks and establishing interagency receptions and initial coordination.
- Understanding how various incidents are controlled and how agencies must coordinate activities – particularly if specialist units are involved.

Additionally, it encompasses strategies for conservation efforts, sustainable resource management, and public awareness and education on environmental issues.

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.3) Place of performance

NUTS codes

- UK - United Kingdom

II.2.4) Description of the procurement

The Home Office would like to invite suppliers to submit a tender to award this contract to one supplier for Environmental Crisis Management training course.
