II.2.4) Description of the procurement

There are outstanding works to be completed to ensure that the outcomes of this phase of works are achieved. Namely the raising of a 1.8km bank on the left bank (looking downstream) of the King Sedgemoor Drain (KSD) to a consistent consolidated height of 3.85 aod. We estimate 2,500m³ of bulked material will need to be imported. The maximum bank height at any one given point will be 500mm with some existing banks already at the height of 3.85 aod.

There will be some associated works involving fencing (removal of temporary and erection of permanent) as well as access improvements and reinstatement.

II.3) Estimated date of publication of contract notice

6 September 2023
