Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Telecare and Assistive Technology

II.1.2) Main CPV code

- 85300000 - Social work and related services

II.1.3) Type of contract

Services

II.1.4) Short description

Trafford Council would like to purchase a comprehensive TEC service which provides all the functions required to deliver a 24hour 7day a week telecare and assistive technology service for local residents. This includes the provision of the following key activities on behalf of Trafford Council:

1. Establishing a supply chain in order to purchase a range of TEC solutions to meet the needs of Trafford residents, including telecare which is commissioned by Trafford council and arrangements for private customers
2. Promoting the availability of TEC solutions to health and social care professionals and Trafford residents
3. Managing referrals for TEC support from a range of organisations and individuals, including private and Council customers
4. Completing home assessments and assessments of individual needs and identifying which TEC solutions would be most beneficial and most cost effective for the individual and the Council
5. Installation, maintenance, repair and uninstallation of TEC devices
6. The provision of an alert and response service to manage alerts from people in receipt of TEC and to respond appropriately to those alerts to support wellbeing outcomes. This should be available 24 hours a day, 7 days a week and 365 days of the year

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.3) Place of performance
