Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Contract Award Notice - Professional Services - Engineering and Construction Services

II.1.2) Main CPV code

- 71310000 - Consultative engineering and construction services

II.1.3) Type of contract

Services

II.1.4) Short description

This framework is for Engineering and Construction Management Assurance activities for Northwest & Central region. It will provide a broad range of technical and engineering services to a variety of projects from large multi-disciplinary complex projects to single discipline asset renewals. It will also involve work with key stakeholders such as HS2, local authorities and Train Operating companies and Freight Operating companies (TOC/FOC's). The services will be completed in line with Engineering Management for Projects NR_L2_RSE_02009 and NW&C ECMP (Engineering & Construction Management Plan).

The scope of services is expected to range from delivery of standalone 'scoped' packages of work, for example market and/or technology appraisal through to provision of subject matter

expertise into active projects.

II.1.6) Information about lots

This contract is divided into lots: No

II.1.7) Total value of the procurement (excluding VAT)

Value excluding VAT: £48,000,000

II.2) Description

II.2.3) Place of performance

NUTS codes

- UK - United Kingdom

II.2.4) Description of the procurement

This Engineering & Construction Professional Services Framework is for use by North, West & Central Region for various Infrastructure projects across the business. This Framework is key to the region delivering on time services for our passengers and freight users.
