## Scope

## Reference

US\_24207

## Description

The current services involves:

Subscriptions agent services for the supply of print and electronic serials and periodicals on a prepaid annual subscription basis. The scope of products includes (but is not limited to):

Current and back-issues of periodicals, newspapers, and annuals (conference proceedings, reports, yearbooks, etc)

Journals, memoirs, proceedings, transactions, and other similar publications of societies

Numbered monographic series

Standing Orders

Databases (including e-book content)

Membership subscriptions

Associated services include consolidation services for print subscriptions and also any additional services that relate to the supply and management of subscription resources, such as usage analytics tools and Open Access publishing services.

The original route to market for the existing requirement was via a Framework.
