Section VI. Complementary information

VI.3) Additional information

Please be advised we are allocating a proportion of 60% total contract value to the HE sector with the remainder being available to the wider public sector including but not limiting to NHS trusts, charitable organisation, research organisations.

SUPC awards and manages Framework Agreements on behalf of its members and the members of participating purchasing consortia. The framework will be awarded for 36 months plus 1 option to extend by up to 12months. Spend through the existing SUPC agreement is approximately 50,000,000 GBP per annum. There is however no guaranteed level of expenditure on this Agreement; the competitiveness, level of service offered, and marketing effort of the chosen suppliers will be a large factor in determining how many institutions support the Agreement.

The Framework Agreement is being tendered on behalf of members of the following purchasing organisations:

(the Participating Consortia):

— Southern Universities Purchasing Consortium (SUPC) <http://www.supc.ac.uk/engage/our-members/ourmembers>

— North East Universities Purchasing Consortium (NEUPC) <http://www.neupc.ac.uk/our-members>

— North West Universities Purchasing Consortium (NWUPC) <http://www.nwupc.ac.uk/our-members>

— London Universities Purchasing Consortium (LUPC) <http://www.lupc.ac.uk/list-of-members.html>

— Higher Education Purchasing Consortium Wales (HEPCW) <http://www.hepcw.ac.uk/>

(the members of such Participating Consortia, together with SUPC Members). Some institutions are not public bodies within the meaning of the PCR2015. They may advertise their contracts in the OJEU on a voluntary basis and without prejudice to their freedom to depart from the rules set out in the PCR2015. Their aim is to apply best practice and secure the best value outcome for the institution.
