Products will generally need to be delivered to the HH office at Waterfront Point, Warrington Rd, Widnes, WA8 0TD, but deliveries may also be required wherever HH has an operational requirement (UK mainland only). Purchases made under the framework will mainly be for end user IT hardware and peripheral IT items which are expected to include, but not be limited to; tablets, laptops, mobile/smart phones, desktop computers, monitors, projectors, TVs, thin clients, mice, cables and keyboards. From time to time, HH may also purchase any other IT hardware items under the framework that may be needed to meet the needs of the organisation (e.g. interactive audio-visual equipment). The outcome of the tender process will be a 4-year framework agreement expected to commence from August 2022. It is envisaged that the final framework will be awarded to approximately 3 suppliers.
