II.1.4) Short description

The London Borough of Camden is seeking responses to a market engagement questionnaire in order to explore options for the provision of employment support and Private Rented Sector offer. One option is for Good Work Camden to commission an external partner to deliver employability and job brokerage support to residents, supporting residents with the financial barriers to access employment, training, or education. This would involve access to 1:1 casework support, 2-3 months job search support, as well as in-work support to ensure sustainment. Furthermore, it is envisaged that the project will also involve delivering a lettings offer. The offer would help residents locate and vet Private Rented Sector properties and crowdfund the costs of moving, rent, security deposits, and other essentials; as well as 6 months of tenancy support.

Interested providers are invited to complete and submit the attached market engagement questionnaire.
