The Council has a vision for Hertford Theatre to become a cultural hub for the District and to maximise its location alongside the River Lea. To facilitate this vision a physical redevelopment of the building and the creation of new cultural and event space is proposed. In July 2018, the Council approved a capital investment of £13.5m for the Growth and Legacy• option to develop and expand the Theatre. Following the development of a more detailed Feasibility Report and costs, the Council approved a further budgetary uplift to £20m in November 2019. The detailed scope of development comprises the following: Redevelopment and extension of front of house spaces to include 3 cinema screens with a minimum total capacity of 200 seats. Enhanced Main Auditorium with a capacity of 550 seats with an additional high-level balcony and new fixed seating layout to improve customer theatre experience and ensure consistency across all auditoria. The auditorium will continue to also show film. A flexible studio theatre space with around 150 seats. Film will also be shown in this space. Two hireable spaces, with one as a dance studio. Reconfigured entrance foyer. Relocated and enhanced food and beverage offer alongside and over-looking the River Lea. Acoustic improvements to the main Auditorium. Reconfigured office and backstage spaces. Improved accessibility in-line with the Equality Act including new back-stage door with accessible ramps leading to accessible changing and rehearsal spaces enabling disabled performers and participants to engage fully with the theatre and its output. Improved access and sightlines of Castle Gates by addressing access and parking concerns creating a greatly improved public realm around the entire theatre site. The project will provide an opportunity to improve the connectivity between the town, Theatre and park, opening up sightlines along the River Lea and encouraging more people to engage with these currently under-utilised areas. The project will develop a scope for partnering with the Town Council, schools and other centres of education to release the heritage story of the Motte, Castle Gardens and Hertford.

If any clarification regarding the award of the contract has not been successfully resolved, the Public Contracts Regulations 2015 (SI 2015 No 102) provide for aggrieved parties who have been harmed or are at risk of harm by breach of the rules to take legal action.
