II.1.4) Short description

Strong and effective multi-agency safeguarding arrangements sit at the heart of cross-government efforts to ensure the best outcomes for all children and families.

The Department for Education is inviting bids for the role of a “National child safeguarding facilitator (local government focus)”. The Department is looking for an individual who understands and has experience of the workings of local government and in particular multi-agency safeguarding for children at a senior level, to work in partnership with national facilitators for police and health in supporting and challenging local safeguarding children’s partnerships.

The individual will be required to support the local government response to the safeguarding partners reform work and the development of existing national policy to improve safeguarding outcomes for children and young people.

This will include, but is not limited to:

- Identifying and assessing emerging issues and threats within local multi-agency safeguarding partnerships and developing plans to address these in partnership with other national facilitators.
- Liaising with all local safeguarding partnerships in England and engage relevant safeguarding leads in local government to promote effective arrangements, to map and share best practice.
- Providing appropriate peer review and challenge to support development of robust local arrangements.

Relevant safeguarding experience within a multi-disciplinary team along with knowledge and understanding of children’s social care practice including guidance, appropriate legislation and issues relevant to children particularly the Children and Social Work Act 2017 is essential.

We anticipate this will be for 15-month service contract with an option to extend for 12 months at an approximate total contract cost of £194,400

The Department will be holding a market engagement event on 2nd November 2021 10:00 – 11:00. If you wish to attend the market engagement event please message the Department through Jaggaer to register. The event will be held via Microsoft Teams. The
