### **Scope**

### **Reference**

CURO - 00000390

### **Description**

Curo are inviting contractors to participate in Preliminary Market Engagement (PME) to help inform Curo's requirements in relation to any future procurement. The primary focus of the PME is to help Curo better understand the market and align the procurement strategy to industry standards.

Curo currently manages and maintains automatic gates, barriers, doors, door entry & Salto locks at various locations across Bath, Bristol and the surrounding areas that require regular servicing and ad hoc maintenance.

Curo are exploring the option of dividing this requirement into two lots.

## Lot 1: Servicing

This will include a programme of servicing across automatic gates, barriers, doors, door entry & Salto locks

## Lot 2: Call out, maintenance, replacement and install

This will include ad-hoc call out maintenance requests and ad-hoc replacement and install requests as the business requires.

Further information can be found in 'Market Insight - Gates, Door, Barriers & Salto (RFI)' document which can be found by registering on the Curo supplier portal (<https://in-tendhost.co.uk/curo/asp/Home>) and searching for project CURO - 00000390 or by emailing [procurement@curo-group.co.uk](mailto:procurement@curo-group.co.uk) and quoting project CURO - 00000390.
