## Description

North Yorkshire Police (NYP) are undertaking a soft market testing exercise. The purpose of this is to engage with the market and gain a better understanding of the products and functionality available in relation to the market for Covert body armour which allows officers to work efficiently and effectively when out in the field. The intention of this market testing is to inform the force's business case. The NYP would like to invite suppliers to respond to key questions via our market engagement questionnaire. The document can be obtained from the Bluelight E-procurement portal <https://sell2.in-tend.co.uk/blpd/publictender-details?tid=b995e620-d7ae-41fb-b672-4d5c45ccbed4> and completed questionnaires should be returned via the same portal. Alternatively can be searched on the home page for the market engagement <https://sell2.in-tend.co.uk/blpd/home>
