The above-mentioned contact point(s)

I.2) Type of the contracting authority

Ministry or any other national or federal authority, including their regional or local subdivisions

I.3) Main activity

Defence

I.4) Contract award on behalf of other contracting authorities/entities

The contracting authority is purchasing on behalf of other contracting authorities:

No

Section II: Object of the contract

II.1) Description

II.1.1) Title attributed to the contract by the contracting authority

The Repair Of Engine Ancillaries and Associated items and the Provision of Output Specifications.

II.1.2) Type of contract and location of works, place of delivery or of performance

Services

Service category No 1: Maintenance and repair services

NUTS code

- UKG21 - Telford and Wrekin

II.1.3) Information on framework agreement

The notice involves the establishment of a framework agreement

Duration of the framework agreement

Duration in years: 7

Estimated total value of purchases for the entire duration of the framework agreement

Estimated value excluding VAT:

Range: between £3,000,000 and £7,500,000

II.1.5) Short description of the contract or purchase(s)

Babcock Land Defence Limited acting as agent to the UK Ministry of Defence ("the Authority") has under consideration a 7 year Framework Agreement for The Repair Of Engine Ancillaries and Associated Items and Provision of Output Specifications as fitted to a number of different vehicle fleets currently in service in the UK Ministry of Defence (MoD). These include but are not limited to Articles categorised within the 6 Lots as detailed in the attached NSN list.

Babcock Land Defence Ltd reserve the right to add further items of a similar nature to the contract post award.

The successful contractor(s) will be required to overhaul/repair Articles to OEM specifications with an accompanying Certificate of Conformance detailing results of any applicable output tests. The successful contractor(s) will be required to supply all spares/components necessary to undertake the repair/remanufacturing process. Successful contractor(s) will be expected to arrange the subsequent packaging to appropriate Military Packing Levels and deliver articles to the Authority post completion of remanufacture. Output Specifications (see attached for further information) will also be requested for each of the 3 Lots.

Those Invited to Tender will be provided a 3 year forecast of repair requirements for each NSN. Although this is the best indication of projected upcoming demand, it is nevertheless a forecast and therefore is subject to change.

The Authority have attempted to make a combination of volume and revenue commitments for the first 3 years of the contract. The detail of volume and revenue commitments will be provided within the ITT documentation. The Authority hopes the combination of forecasts, volume and revenue commitments enables suppliers to achieve greater efficiencies within their supply chains and workforce planning.

Drawings and/or associated specifications will be provided where available to issue as part of any eventual ITT.

Babcock Land Defence Ltd intends to award several single supplier framework agreements for the items detailed within this notice.

To respond to this opportunity suppliers must read through this notice and complete the associated Pre-Qualification Questionnaire (PQQ). The PQQ shall be assessed using the selection criteria given within the PQQ and within each question. It is the intention of the Authority to down select and Invite to Tender only those economic operators who successfully complete the PQQ, provide all mandatory information and are not subject to any mandatory exclusion.

Cyber Risk Assessment Reference: 423102721

Cyber Risk Profile: Very Low

II.1.6) Common procurement vocabulary (CPV)

- 50630000 - Repair and maintenance services of military vehicles

II.1.8) Lots

This contract is divided into lots: Yes

Tenders may be submitted for one or more lots

II.1.9) Information about variants

Variants will be accepted: No

II.2) Quantity or scope of the contract

II.2.1) Total quantity or scope

Babcock Land Defence Limited acting as agent to the UK Ministry of Defence ("the Authority") has under consideration a 7 year Framework Agreement for The Repair Of Engine Ancillaries and Associated Items and Provision of Output Specifications as fitted to a number of different vehicle fleets currently in service in the UK Ministry of Defence (MoD). These include but are not limited to Articles categorised within the 6 Lots as detailed in the attached NSN list.

Output Specifications (as defined in the attached output specification documents) will also be requested for each of the 3 lots.

Lot 1 - The Repair of Fuel Systems and Associated Items

Lot 3 - The Repair of Engine Cooling and Heating Systems and Associated Items

Lot 5 - The Repair of Engine Ancillaries and Associated Items

Lot numbers 2, 4, 6, will be for the provision of output specifications for each of the above lots.

Babcock Land Defence Ltd intends to award several single supplier framework agreements for the items detailed within this notice.

Prospective contractors are required to hold Quality Management System certification to ISO 9001:2015 or suitable alternative, with the appropriate scope to deliver contract requirements, issued by a Nationally Accredited Certification Body. You will be required to provide a copy of the certificate(s) as directed by any Dynamic Pre-Qualification Questionnaire (DPQQ) or Invitation to Tender (ITT) associated with this Notice.

No business whatsoever is guaranteed under any resulting Framework Agreement or Contract unless expressly stated otherwise in any resulting contract. There is no guarantee that any Framework Agreement or Contract will be put in place in relation to the notice. No compensation etc will be paid if a tender or resulting Framework Agreement is withdrawn for any reason. Bidders should take part in the process only on the basis that they fully understand and accept this position.

As stated above Expressions of interest will be via the Pre-Qualification Questionnaire (PQQ) linked to this Contract Notice. Only those expressions of interest that fully meet the above criteria and the Minimum criteria stated within the PQQ shall be considered for Invitation to Tender.

Cyber Risk Assessment Reference: 423102721

Cyber Risk Profile: Very Low

Estimated value excluding VAT:

Range: between £3,000,000 and £7,500,000

II.2.2) Information about options

Options: No

II.2.3) Information about renewals

This contract is subject to renewal: No

II.3) Duration of the contract or time limit for completion

Duration in months: 84 (from the award of the contract)

Section III. Legal, economic, financial and technical information

III.2) Conditions for participation

III.2.1) Personal situation

Criteria regarding the personal situation of economic operators (that may lead to their exclusion) including requirements relating to enrolment on professional or trade registers

Information and formalities necessary for evaluating if the requirements are met: Suppliers Instructions How to Express Interest in this Tender:

1. Register your company on the eSourcing portal (this is only required once)

- Browse to the eSourcing Portal

- Click the “Click here to register” link
- Accept the terms and conditions and click “continue”
- Enter your correct business and user details
- Note the username you chose and click “Save” when complete
- You will shortly receive an email with your unique password (please keep this secure)

2. Express an Interest in the tender

- Login to the portal with the username/password
- Click the "PQQs Open to All Suppliers" link. (These are Pre-Qualification Questionnaires open to any registered supplier)
- Click on the relevant PQQ to access the content.
- Click the “Express Interest” button in the “Actions” box on the left-hand side of the page.
- This will move the PQQ into your “My PQQs” page. (This is a secure area reserved for your projects only)
- Click on the PQQ code, you can now access any attachments by clicking the “Settings and Buyer Attachments” in the “Actions” box

3. Responding to the PQQ

- You can now choose to “Reply” or “Reject” (please give a reason if rejecting)
- You can now use the ‘Messages’ function to communicate with the buyer and seek any clarification
- Note the deadline for completion, then follow the onscreen instructions to complete the PQQ
- There may be a mixture of online & offline actions for you to perform (there is detailed online help available)

If you require any further assistance please consult the online help, or contact the eTendering help desk.

Criteria regarding the personal situation of subcontractors (that may lead to their rejection) including requirements relating to enrolment on professional or trade registers
